Emilio Pucci is a true classic, so much so it's been one of the most popular men's fashion designers since the 1950s. His clean aesthetic, perfect tailoring, soft color palettes and soft fabrics have made him a staple of the fashion world for decades and they are a firm favourite among celebrities. With iconic red lips, sharp pencils, a love of pink, smooth fabrics and a soft mid-century aesthetic, Pucci's line is one that's easy to wear every day. So in a time when so many other designers are having difficulty bringing out collections, his expert use of color, soft fabrics and careful tailoring are a welcome breath of fresh air. Made in Italy. Deconstructed shirt with side pockets. Body: cotton Sleeves: soft jersey Sleeve length: Long sleeve Material(s): cotton, polyester Offers two front pockets with inner chest pocket. Pocket details: Two pockets at the chest and one
